Introduction

I would like to take this opportunity to welcome you as a new member of Tenby Golf Club.

To aid your introduction to the Club and the facilities we have available we have put together the following information pack which hopefully you will find informative and helpful in getting the most out of your current membership package.

Our resident Club Professional is Rhys Harry who together with his Assistants Tom Hilling, Matthew Moseley and Ryan Dennehy will be able to assist you with any equipment, clothing or lesson requirements.

Can I ask you to inform us if you change your home address, telephone number or email address so that we can keep our records up to date.

If you have any specific questions then please let me know.
Many thanks and enjoy your golf.

David Hancock
Club Secretary

Membership

We have various categories of membership to suit your playing requirements. Details of the benefits, costs and advantages are shown in the enclosed summaries.

Competition Information

Details of all the various Mens, Ladies and Mixed competitions are shown at Appendix 1. Junior competition details are available from the Junior Organiser. If you do not have an existing handicap on joining the Club then you will need to submit three valid cards for assessment by the Competition and Handicap Sub-Committee. The process is to:

- (a) Organise a member with a handicap to “mark” your card,
- (b) Sign the card, together with your “marker” and submit this via the Professional Shop after your round (or as soon as possible). Please ensure you indicate clearly that this is for **handicap purposes** and **the tee used** during the round i.e. Red, White or Yellow.

Cards should be submitted as stroke play and ideally in a six month timeframe.

The C & H Sub-Committee will then consider the appropriate handicap for your playing ability in line with CONGU guidelines and contact you as soon as possible.

Entry to competitions is either via a computer system called “Mastersscoreboard” or via the touch screen in the clubhouse.

The URL for Mastersscoreboard is

<http://www.mastersscoreboard.co.uk/Clubindex.php?CWID=5143>. Access this initially be selecting your name and entering your default password (provided to you separately) which will enable you to log on via your home computer. Exceptionally, competition entry will be via manual sign up sheets posted to Club noticeboards.
